YEAR:

2025

The Altea is designed for lighter, brighter living.. The new generation Altea is Adria's bestselling range of modern, lightweight, and contemporary caravans. With light and bright home-style interiors for easy living, maximum comfort and practical use of space, The Adria is carefully designed to give you a great experience when away from home, with all those elegant home style features, with a blend of contemporary and classic design offering a comfortable and welcoming ambiance. You will find sleek Adria body built to Thermo-build standards, on an ALKO chassis complete with Alloy wheels with steel spare and energy efficient LED lights inside and out. With Truma gas heating throughout, you can kick back and relax in the comfortable living space, where the parallel benches easily convert to a generous sized double bed if needed, or keep as your lounge area for relaxing and dining using the conveniently tucked away freestanding table. The...
