The Ascent is Bailey's newest motorhome range. Taking the popular layouts from the award-winning and much-loved Adamo range and remodels them into a new-looking range of vehicles. # The 64-2 is an all-new model and has so far been extremely popular. With a rear garage and U-shaped rear lounge at just 6.4m long it makes excellent use of the space! A galley kitchen and side washroom complete this compact motorhome. One of the main benefits of the Ascent over the existing Adamo is the addition of a 150ah lithium leisure battery & Truma NEO heating!
