SLEEPS: **4** | YEAR: **2027**

The 79-4XT is all new for this series of Autograph and is extremely similar to a caravan interior, making the change from caravan to motorhome seamless. With a spacious front lounge with four travelling seats and a large central kitchen with a 'tower' fridge & freezer, you lead into the luxury bedroom where you find fixed twin single beds situated higher than normal, making getting in and out of bed a breeze. The perks of these beds are that they are 6'6" x 2'6" and 6'3" x 2'6", making them some of the longest and widest single beds in any motorhome on the market! It doesn't end there, but at the rear of the motorhome you will find a spacious end washroom with a separate shower, toilet & sink unit.
