The 560 is an extremely popular single-axle model featuring the rear fixed island bed and 'jack & jill' central washroom design. Being a Challenger, it has excellent specifications, including ALDE radiator central heating, BBQ and external mains points, plus much more! This example is the upgraded SE model, meaning it had been specified from new with extra equipment. It was supplied by us brand new to it's one and only owner, plus has a full service history, allowing us to transfer the remaining manufacturer's bodyshell warranty package. As an added extra it also has a fitted Powrtouch motor mover and Thule bike carrier.

*Finance for example only based on a £1000 deposit over 120 months 8.9% apr. Rates may differ as they are dependent on individual circumstances. Subject to status.
